A Message from the CEO & Director

Welcome to Capitol Hill College.

Looking back at my own journey—from walking these very corridors as a $+2$ Management student in the 2012–2014 batch and graduating as the stream's highest scorer, to now **returning to lead the institution as its Chief Executive Officer**—fills me with a profound sense of pride and gratitude. Capitol Hill has always been far more than an academic institution to me; it is where my foundational understanding of leadership, discipline, and ambition was shaped.

My educational pursuits further deepened my commitment to academic rigor. I went on to complete my MBA in Finance from Pokhara University, graduating as the **MBA Finance Topper for the year 2022 AD** and earning a place on the **prestigious University Dean's List.** Bridging theory with practice, I spent **four years** immersed in the academic sector as a **faculty member of Finance for Bachelor's and Master's level students**, as well as serving as a Program Coordinator. Additionally, I bring extensive corporate exposure from my tenure as **Group General Manager and Head of Employee** at Techno Biomed and its group companies. This unique blend of advanced financial scholarship, administrative experience, and corporate leadership allows me to steer Capitol Hill College with a dynamic perspective that directly aligns education with modern industry demands.

Our Legacy and Vision

Established in **2005 AD** by a dedicated collective of academic experts and seasoned professionals, Capitol Hill College has spent over two decades building a formidable legacy of excellence.
